***Who's behind Wag 'N Walk***

Animal Rescue Volunteers, Inc. is a non-profit organization that has played a vital role in our community by assisting Animal Control Agencies to save thousands of unwanted pets before they were destroyed.

We have been instrumental in the adoption of over 5,000 animals from 1994 through today. Our organization helps to feed, house, provide medical attention and care for dogs, cats, and horses. We have provided veterinary care for rescued pets with broken jaws, hip and leg fractures, upper respiratory, cancer, mange, and even helped Hannah obtain a pacemaker – our medical costs top \$50,000 a year!

*Our organization does not maintain a costly facility or paid staff. We are an all-volunteer organization, relying on foster homes and private donations to continue our work. All monies raised for Wag 'N Walk directly benefit homeless animals in our community.*

There is so much more that still needs to be done and your help is needed now more than ever.

Thank you for your consideration. Should you have any questions – please contact us.

For the animals,
